

Better Together
LEARNING TRUST

OUR ETHOS AND VALUES

Our actions are underpinned by the belief that:

- everyone should feel included in their local communities and wider society
- staff and students are capable of constantly learning and developing
- family members play a vital role in the education of students
- our schools and academies need to be part of and responsive to their local communities

Our purpose

Leading the way in delivering children who are as well-prepared as they can be for their next steps in life

Can we support you?

Would you like to work in partnership with us?

Would you like to share expertise?

Would you like to see a Special School in action?

Can we support with training or development of SEND in your establishment?

Do you have any questions about SEND that we might help with?

What does best inclusive practice look like to you? Can we help?

Please get in touch if we can help:
